# LUXURY & FASHION

BOINGTECH ®
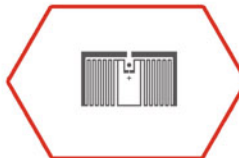

Keep Track of your Jewelry Inventory

Jewelry and other luxury goods retailers know the value of taking frequent and accurate inventory. Boingtech offers high performance RAIN RFID tags for great readability and fast inventory.The tags come in a variety of form factors and adhesive configurations,and can be affixed on jewelry fixtures or on the jewelry itself.These versatile tag designs are also well adapted for watches and eyeglasses.
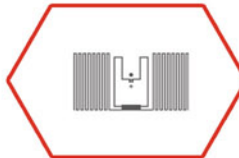

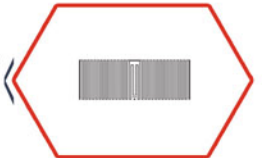

Product No.: 1020396A
Antenna Size: 12*9mm
Chip: M4D
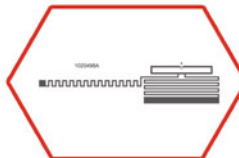

Product No.: 1020650
Antenna Size: 22*7.5mm
Chip: MR6-P

Product No.: 1020713
Antenna Size: 22*12.5mm
Chip: U CODE 8

Product No.: 1020448A
Antenna Size: 27*9.7mm
Chip: MR6-P

Product No.: 1020691C
Antenna Size: 30*15mm
Chip: U CODE 8

Product No.: 1020349A
Antenna Size: 40*15mm
Chip: MR6-P

Product No.: 102498A
Antenna Size: 53.75*11.25mm
Chip: MR6-P
